**Part 3      Interpretations**

- 3.1    Schedules “A”, “B”, and “C” attached hereto, form part of this Bylaw.
- 3.2    The captions and headings in this Bylaw are for convenience of reference only, and shall not affect the interpretation of any provision.
- 3.3    Nothing in this Bylaw shall operate to relieve any person from complying with any Federal, Provincial or other Municipal Law, Order, Regulation or Bylaw and such person shall comply with all conditions or obtain any necessary consents at his own expense.
- 3.4    Except as provided herein to the contrary no person shall:
- (a)    Store or deposit any refuse on any premises owned or occupied by the Municipality or on any street; or
  - (b)    Store or place any waste receptacle or commercial container on any street.
- 3.5    Section 3.4 shall not apply:
- (a)    In respect of any refuse stored or deposited at any disposal site designated pursuant to this Bylaw;
  - (b)    In respect of any waste receptacle placed or stored on a street for use by the public by or with the consent in writing of the Public Works Superintendent; or
  - (c)    To a person who is actively engaged in loading or unloading any waste receptacle or commercial container.
- 3.6    Any person who deposits any refuse on a street shall forthwith remove such refuse from the street at his own expense.

**Part 4 Authority**

- 4.1 The Municipality shall:
- (a) supervise the collection, removal and disposal of refuse, and;
  - (b) direct the days and times that collections shall be made from different portions of the Municipality, and;
  - (c) decide as to the quantities and classes of refuse to be removed from any premises or accepted by the Municipality for disposal.
- 4.2 Subject to the provisions of this Bylaw, the decision of the Municipality as to:
- (a) the amount of refuse which has been removed from any premises, and;
  - (b) the amount and types of refuse which the Municipality is obliged to remove from any premises or class of premises shall be final and conclusive subject only to the superior statutory authority of another entity.

**Part 5 Municipal Collection and Removal of Refuse**

- 5.1 Subject to the provisions of this Bylaw the Municipality:
- (a) shall cause refuse to be collected from each dwelling house each week in accordance with the rates and fees specified in Schedule "A", and
  - (b) may cause refuse to be collected from premises other than a dwelling house each week in accordance with the rates and fees specified in Schedule "A".
- 5.2 Unless special arrangements are authorized by the Municipal Council, the Municipality shall not remove from premises on which a dwelling house is located:
- (a) discarded furniture, discarded automobile parts including tires, and other private vehicles and household equipment;
  - (b) tree trunks, tree limbs, whole shrubs or bushes or portion of hedges;
  - (c) fences, gates and other permanent and semi-permanent fixtures on the premises;
  - (d) without limiting the foregoing, any discarded household chattel, material or equipment which has an overall weight of more than 34 kilograms or an overall length of more than 1.25 metres.
- 5.3 Unless other arrangements are authorized by the Municipal Council, except as otherwise provided in this Bylaw, the Municipality shall not remove from any premises;
- (a) building materials and building waste;
  - (b) dead animals with the exception of cats and dogs;
  - (c) sod;
  - (d) liquid waste;
  - (e) by-products of manufacturing.
- 5.4 The Municipality shall ensure that the equipment used for waste collection and the manner in which waste is collected and disposed of by the Municipality of Crowsnest Pass shall comply with the regulations of the Regional Health Authority.
- 5.5 The Municipality may enter into a contract or contracts with any person for the collection of the whole or a portion of the refuse accumulated within the Municipal limits.

**Part 6            Clean-up Campaign**

- 6.1     The Council of the Municipality of Crowsnest Pass may authorize a clean-up campaign in the spring and fall of each year at which time all refuse will be picked up to a maximum of one truck load. Additional loads, car bodies and refrigerators will be picked for the fees as identified in Schedule "A".

**Part 7            Refuse Receptacles, Weight of, Location and Refuse Enclosures**

- 7.1     Occupants of residential dwelling units in the Municipality shall provide and maintain in good condition a number of refuse receptacles conforming to the specifications prescribed in this Bylaw, sufficient to hold a minimum of one week's accumulation of refuse from the premises.
- 7.2     Except as otherwise provided no person shall place refuse from a building or premises elsewhere than in refuse receptacles which comply with the requirements of this Bylaw.
- 7.3     Refuse receptacles required to be supplied by the Occupant shall either:
- (a)     be made of galvanized metal or rigid plastic waste receptacles with a watertight cap cover, with rigid fixed handles, a smooth rim at the top and circular design; and
  - (b)     not greater than 0.7 metres in diameter at the top, tapered to a lesser diameter at the bottom with a maximum height of 0.8 metres; and
  - (c)     not less than 0.4 metres at the top, tapered to lesser diameter at the bottom with a maximum height of 0.5 metres; and
  - (d)     not greater than 6.0 kilograms in weight when empty.
- 7.4     Occupants of residential dwelling units shall ensure refuse is stored in an approved storage location at all times other than when the waste is being transferred to an Animal Proof Waste Container.
- 7.5     Where the owner or occupant of premises places refuse in a receptacle other than one which meets the specifications set out in this Bylaw, the collectors are entitled to consider such receptacles as refuse and to remove them with the refuse.
- 7.6     The collector at his discretion shall have the right to refuse to remove materials where the container does not meet the necessary requirements or is in a dilapidated, unsafe or unsanitary condition.
- 7.7     A collector shall not be required to remove any refuse receptacle which, together with its contents, exceeds thirty-four (34) kilograms.
- 7.8     Except as otherwise provided herein, no person shall place or keep refuse receptacles upon any portion of the traveling surface of any street or lane. Any refuse receptacles improperly left in the street or lane may be removed and disposed of by the Municipality.
- 7.9     The occupant of residential premises shall place and keep refuse for collection in such a place that the collectors shall have convenient access thereto without the necessity of entering upon private property.
- 7.10    Where premises from which refuse is to be collected do not abut a lane or where special conditions make it impracticable to keep and place such receptacles at the rear of the premises the occupant of such premises shall place the refuse receptacles immediately inside the property line at the front of the premises.

**Part 7 Refuse Receptacles, Weight of, Location and Refuse Enclosures**

- 7.11 The occupant of premises from which refuse is to be collected:
- (a) shall place or locate the refuse receptacle for collection in such manner that they will not overturn or be likely to be overturned;
  - (b) shall provide refuse boxes or enclosures for the protection of refuse receptacles which are animal proof and are required by the Public Works Superintendent.

**Part 8 Preparation of Waste for Collection**

- 8.1 An owner or occupant of premises from which refuse is to be collected shall:
- (a) thoroughly drain all household garbage and place it in either plastic garbage bags or securely tie the parcel before disposing of it in the waste receptacle;
  - (b) place all quenched ashes, sawdust and other powdery or fine material in either securely tied plastic bags or parcels before disposing of it in the waste receptacle;
  - (c) when, at infrequent intervals, accumulated household refuse cannot be accommodated within the waste receptacles provided, the extra refuse accumulated shall be placed in non-returnable plastic bags or other acceptable materials of sufficient strength to hold the refuse contained therein securely tied at the top and placed beside the waste receptacles for collection, and;
- 8.2 The extra refuse referred to in clause 8.1(c) may include but is not limited to clippings from lawns, shrubs and trees on the premises from which the refuse is to be removed, provided that clippings from trees and shrubs may, if more convenient, be securely tied in bundles not over 1.25 metres in length and need not be bagged.
- 8.3 No occupant shall:
- (a) mix combustible and non-combustible matter in the refuse receptacles or containers, or
  - (b) place any explosives or highly inflammable materials in any receptacle for collection, or
  - (c) place for collection, ashes which are not properly quenched

**Part 9 Duties of Collectors**

- 9.1 Collectors shall:
- (a) be as careful as is reasonably possible not to damage or misuse any waste receptacle;
  - (b) replace emptied receptacles and the lids in approximately the same location where it was picked up;
  - (c) not leave refuse on the ground which he has spilled from the receptacle or the collection vehicle;
  - (d) and no person employed in the collection of waste materials shall pick, or sort any ashes, garbage, refuse or discarded material from the collection vehicle or the owner's premises.

**Part 10 Construction Refuse, Covering of Refuse and Placement on Streets**

- 10.1 A person carrying out the construction, demolition or alteration of buildings or other building operations on any property shall do so in such a manner as to not permit building materials or building refuse to remain loose, free or uncontrolled on the property.
- 10.2 The owner of the building site shall be responsible for the actions of any contractor, subcontractor or tradesman who fail to comply with subsection 10.1
- 10.3 Any building material or building refuse material which blows free from the building site shall be recaptured, returned to the building site and deposited in a refuse receptacle.
- 10.4 The owner of a building site shall be responsible for the term of the construction in providing a suitable refuse receptacle capable of receiving all building refuse material and maintaining the same in a safe contained manner.
- 10.5 The Public Works Superintendent may direct the person carrying out construction or alteration of a building to provide a fence of a type that will trap any building material in such a manner as to prevent it from escaping from the building site.
- 10.6 No person shall convey through any street in the Municipality any refuse of whatever nature except in the properly covered metal receptacle or in a vehicle which is covered with canvas or tarpaulin, or other covering as approved by the Municipality, so constructed and arranged as to prevent the contents thereof or any portion thereof from being wind borne or falling on the streets, to protect the contents from flies and to minimize as much as practicable the escape of any offensive odours. It shall not be necessary that a vehicle carrying solely soil, sand, gravel or concrete be covered with a canvas or a tarpaulin.
- 10.7 Except for sand, cinder or similar materials in reasonable quantities placed on any slippery streets or sidewalks, no person shall place refuse of any type or direct or allow it to be placed upon any portion of a street.

**Part 11 Recycling**

- 11.1 The Municipality may contract recycling depot providers for the collection and disposal of Recyclable Materials as listed in Schedule "C" hereto. Such depots shall accept Recyclable Materials from Residential, Multi-Residential, and Commercial Premises.
- 11.2 Occupants of Residential Dwelling Units, Multi-Residential Dwelling Units and Commercial Premises are liable for service fees as identified in Schedule "A" from the date of issuance of an Occupancy Certificate for said unit or premises.
- 11.3 Recyclable Materials shall be prepared for recycling as outlined in Schedule "C".
- 11.4 The Municipality reserves the right to add or remove items from the list of acceptable Recyclable Materials as identified in Schedule "C".

**Part 12 Charges for Collection and Disposal, No option for Use and Exemptions**

- 12.1 The occupant of any premises in the Municipality of Crowsnest Pass within such area and pickup frequency as may be designated by the Public Works Superintendent for the provision of garbage collection Services, shall pay to the Municipality a monthly charge as set out in Schedule "A" to this Bylaw, and the Municipality shall collect refuse from only one pick-up point from each premise except, the Public Works Superintendent, may designate any other pick-up point he considers necessary.

**Part 12 Charges for Collection and Disposal, No option for Use and Exemptions – cont'd**

- 12.2 Accounts for refuse collection service shall be forwarded bi-monthly to the occupier of premises and shall be payable at the office of the Chief Administrative Officer or designate or such other places as may be designated. The payment of any charges provided by this Bylaw may be enforced by action in any court of competent jurisdiction.
- 12.3 Where the occupant is the owner or purchaser of premises, the sum payable by him for refuse removal services is a preferential lien and charge on the personal property of the debtor and may be levied and collected in like manner as municipal rates and taxes are recoverable. Where the occupant to whom refuse removal service has been supplied is a person other than the owner or purchaser of the premises, the sum payable by the occupant is a debt due and shall be a preferential lien and charge on his personal property and may be levied and collected with costs by distress.
- 12.4 The rates or charges levied pursuant to this Bylaw shall be applied to each dwelling unit within the Municipality with no option for use of the service, except where a specific property has been exempted from provisions of the bylaw as designated in Schedule “B”.
- 12.5 Non-receipt of a utility bill will not exempt the owner from payment for the service received.

**Part 13 Notices and Penalties**

- 13.1 In any case where the Municipality are required to give notice to owner or occupant pursuant to this Bylaw, notice shall be effected by service either;
- (a) by causing a written copy of the notice to be delivered to and left in a conspicuous place at or about the effected property, or
  - (b) by causing a written copy of the notice to be mailed by mail or delivered to the last known address of the owner.
- 13.2 Where a Peace Officer has reasonable grounds to believe that an owner or occupant has contravened any provision of this Bylaw, the Peace Officer may serve upon such person, a summons as outlined in this Bylaw.
- 13.3 An owner or occupant who contravenes any provision of the Bylaw by:
- (a) doing something that is prohibited in this Bylaw;
  - (b) failing to do something that is required in this Bylaw; or
  - (c) doing something in a manner different from that which is required or permitted in this Bylaw.
- is guilty of an offense and liable upon summary conviction to a fine of not less than one Hundred Dollars (\$100.00) or not more than Two Thousand Five Hundred Dollars (\$2,500.00).
- 13.4 Any owner or occupant served with a summons pursuant to Section 13.3 of this Bylaw may, where a specified penalty is indicated on the summons, avoid prosecution by remitting payment of the specified penalty as noted on the summons on or before the appearance date noted on the summons. The specified penalty shall be the amount the Municipality will accept in lieu of prosecution.
- 13.5 Any owner or occupant who does not pay the specified penalty on or before the appearance date noted on the summons is liable to a fine as set out in Schedule “A” hereto.
- 13.6 Where a specified penalty is not noted in the summons, the person served with the summons is liable to a fine as set out in Schedule “A” hereto.

**Part 13 Notices and Penalties – cont'd**

- 13.7 Where a contravention of this Bylaw is of a continuing nature, further summons, with the appropriate specified penalties, may be issued provided that no more than one summons shall be issued for each calendar day that the contravention continues.
- 13.8 Nothing in this Bylaw shall prevent a Peace Officer from issuing a summons for the mandatory court appearance of any person who contravenes any provision of this Bylaw.

**Part 14 General**

- 14.1 A Peace Officer, witnessing a contravention of this Bylaw, may cause the contravention to be remedied.
- 14.2 When expenses are incurred by the Municipality for any work performed as a result of a direction by the Peace Officer under Section 14.1, the Municipality may serve a statement of the expenses, together with a demand for payment to the person responsible for the contravention, including all legal costs on a solicitor and their own client basis.
- 14.3 Whenever, in this Bylaw, it is directed that an owner or occupant of any building or premises shall do any matter or thing, then in default of its being done, either the owner or occupant, or both, or if there are several owners or occupants, any or all such owners or occupants shall be liable to prosecution; and it shall be no defense for any owner or occupant so prosecuted to allege that any other person is responsible for such default.
- 14.4 If any term, clause or condition of this Bylaw or application thereof, to any thing or circumstance shall to any extent be invalid or unenforceable, the remainder of this Bylaw or application of such term, clause or condition to any thing or circumstance, other than those to which it is held as invalid or unenforceable, shall not be affected thereby and each other term, clause or condition of this Bylaw shall be enforced to the fullest extent permitted.
- 14.5 Bylaw 57/1980 and all amendments thereto are hereby repealed upon the final passing of this Bylaw.
